R Please contact your domain registrar that is Network Solutions, and unlock the domain and they will provide you Auth code

ok I'll do that. Then I should contact you again?

R Yes, so that we will initiate the domain transfer

Ok thanks!

R Once the domain is initiated for transfer, you will be receiving approval email to domain admin email address. Once you approve it with in 5-7 days domain will be transfer

Is there anything else I can assist you with today?

no thankyou

R Thank you for chatting. Take care and have a good day :)
